

# Vision -2021 Internship Program

## Ministry of Power, Energy and Mineral Resources & Young Bangla

Young Bangla invites applications for the following placement. Qualified candidates are encouraged to apply. Minimum requirements will be flexible for the Joy Bangla Youth Awardees of Young Bangla.

Intern: Vision 2021-Internship Program

Number of position: 100

Job Nature: Regular

Job Location: Anywhere

### Intern Responsibilities:

1. Demonstrate the highest level of professionalism, which includes arriving on time for designated work, notifying the utility supervisor of any deviations from the established schedule, and dressing to the standards of the organization and the work being performed.
2. Respect the organization's reporting structure and follow the policies and procedures of the organization.
3. Communicate effectively with the utility supervisor and the focal point of Young Bangla; accept and apply critiques and suggestions to daily work.
4. Maintain Activity Log Book. Complete and discuss with the utility supervisor the final evaluations.
5. Appreciate diversity in all of its forms and respect various social and political viewpoints; do not discriminate on the basis of race, creed, color, sex, religion, age, nation/ethnic origin, disability, or sexual orientation.
6. Maintain and follow the organizational norms, behavior and etiquette as well. Do not participate in any subversive activities to the state or of discipline.

### Submission of report

The interns will be required to present a report/paper at the end of their internship to the concerned Head of Division/ Utility e.g. Managing Director after completion of internship. The report/paper will also be submitted as an individual or in a group depending on the assignment at the end of their internship to the Ministry as well as to CRI (Young Bangla).

### Potential departments of placement

The intern will also work closely with the utilities of Power and Energy Division of MoPEMR to assist all the secretariat tasks at the ministry.

1) All utilities under Power Ministry like DPDC, DESCO, BPDB, BREB, WZPDCL, RPCL, APSCL etc. & different Companies. (2) Energy & Mineral Resources Division: Petrobangla, Bapex & under different Companies of Oil and Gas Corporation.

The internship candidates will have to work anywhere in the country. To supervise the interns there will be a supervisor from each entity to be selected by the respective entity.

### Requirements:

The candidates should at least have a Graduation in Engineering of EEE, ME, CE, CSE, Petroleum and Mining Engineering (PME) or in any subject of Social Science/ Arts/ Commerce Background. Students of final semester in Honors/Masters can apply too. Fresh graduates in these disciplines are encouraged to apply and numbers of seats are very limited for Social Science/ Arts/ Commerce students.
